Archie, Mo – May 20, 2025 This week, The City of Archie officially received Missouri Blue Shield designation from the Missouri Department of Public Safety. This prestigious honor recognizes Missouri communities that demonstrate a steadfast commitment to enhancing public safety and supporting law enforcement.

The Missouri Blue Shield Program, created by Governor Kehoe in January 2025 through Executive Order 25-03, recognizes local governments that make significant efforts to reduce crime, foster law enforcement collaboration, and build strong community partnerships for public safety.

“Public safety is the foundation of a thriving community and state. It affects everything from families feeling secure to businesses having the confidence to invest and grow,” said **Governor Kehoe**. “We designed the Missouri Blue Shield Program to recognize communities that go above and beyond in creating a place where people want to live, work, and build their futures. A Missouri Blue Shield designation is a testament to the hard work and dedication of local governments across Missouri who are leading the way in making public safety a priority.”

“The Department of Public Safety is proud to work alongside communities like the City of Archie that have shown exceptional dedication to enhancing public safety,” said **Mark James, Director of the Missouri Department of Public Safety (DPS)**. “This program is about fostering collaboration between local law enforcement agencies and the communities they serve. Our goal is to support these efforts, providing resources and guidance to help communities build sustainable, long-term solutions for crime reduction and public safety.”

**“This designation is more than a symbol — it’s a commitment.” Said Mayor Dylan Eppert. “Being part of the Missouri Blue Shield program is the first step towards Archie’s commitment to investing in our Police Department to ensure our residents and resources are protected now and into the future.”**

**“The Archie Police Department is grateful for the strong support we receive from both the community and the City,” said Police Chief Trevor Zaharsky. “We are honored to receive this designation from Governor Kehoe, which reflects our department’s ongoing commitment to public safety, cultivating a safe community, and the continued strengthening of vital partnerships in our community.”**
