Alderman Kendrick -Water - Absent

Alderman Sallee -Streets- Durapatcher was purchased along with a trailer. He talked about a pit for the aggregate. He is currently working on a plan to take better care of the roads during the winter. He said there are some opportunities for funding coming up that we could maybe utilize for Pine Street. He is getting bids for the tilling of Pine Street.

City Administrator Clark -Submitted in writing. She added that we haven't had anyone come in yet for the part-time mowing position.

Alderman Houchen -P&Z-On the agenda for new business.

Alderman Molzahn-Parks- He said the Park Board had gotten a security system quote for just under \$7,000. This will be discussed at the budget worksession meetings. Chief Zaharsky said they would need a solid door on the building at the park where the system would be housed. Max Matter said the room would need to stay cool, and also asked if the doors would be locked. There was discussion about the door locks. He also reported that the park board had gained access to the bathroom facilities at Hodges Park. There are new toilets in boxes in the building. They will be doing some painting and other clean up at that park. They will also be having a meeting on March 13 to discuss these projects.

NEW BUSINESS-

LC-2025-1: Lot Combination of Eagle Ridge Services, LLC, for property located at the SE corner of A Highway & Butcher Road, including Parcel ID #18-08-33-200-010-002.000, Parcel ID #18-08-33-200-014-004.000, and Parcel ID #18-08-33-200-010-001.002:

Taylor Flanery presented the lot combination request and also showed a concept plan for the property once the combination is done. Alderman Sallee asked where the overflow will go for the proposed retention pond. Mr. Flanery said it would go to a pipe currently under Butcher Road. They may have to upgrade the pipe, but the engineer will determine that. Alderman Salle said that one culvert pipe belongs to the State and one was put in by the County, which will then be the City's once the annexation is complete.

Alderman Sallee made the motion to approve the lot combination as presented.

Alderman Houchen made the second.

The lot combination was approved with a vote of Houchen-yes, Kendrick -absent, Molzahn-yes, Sallee-yes.
